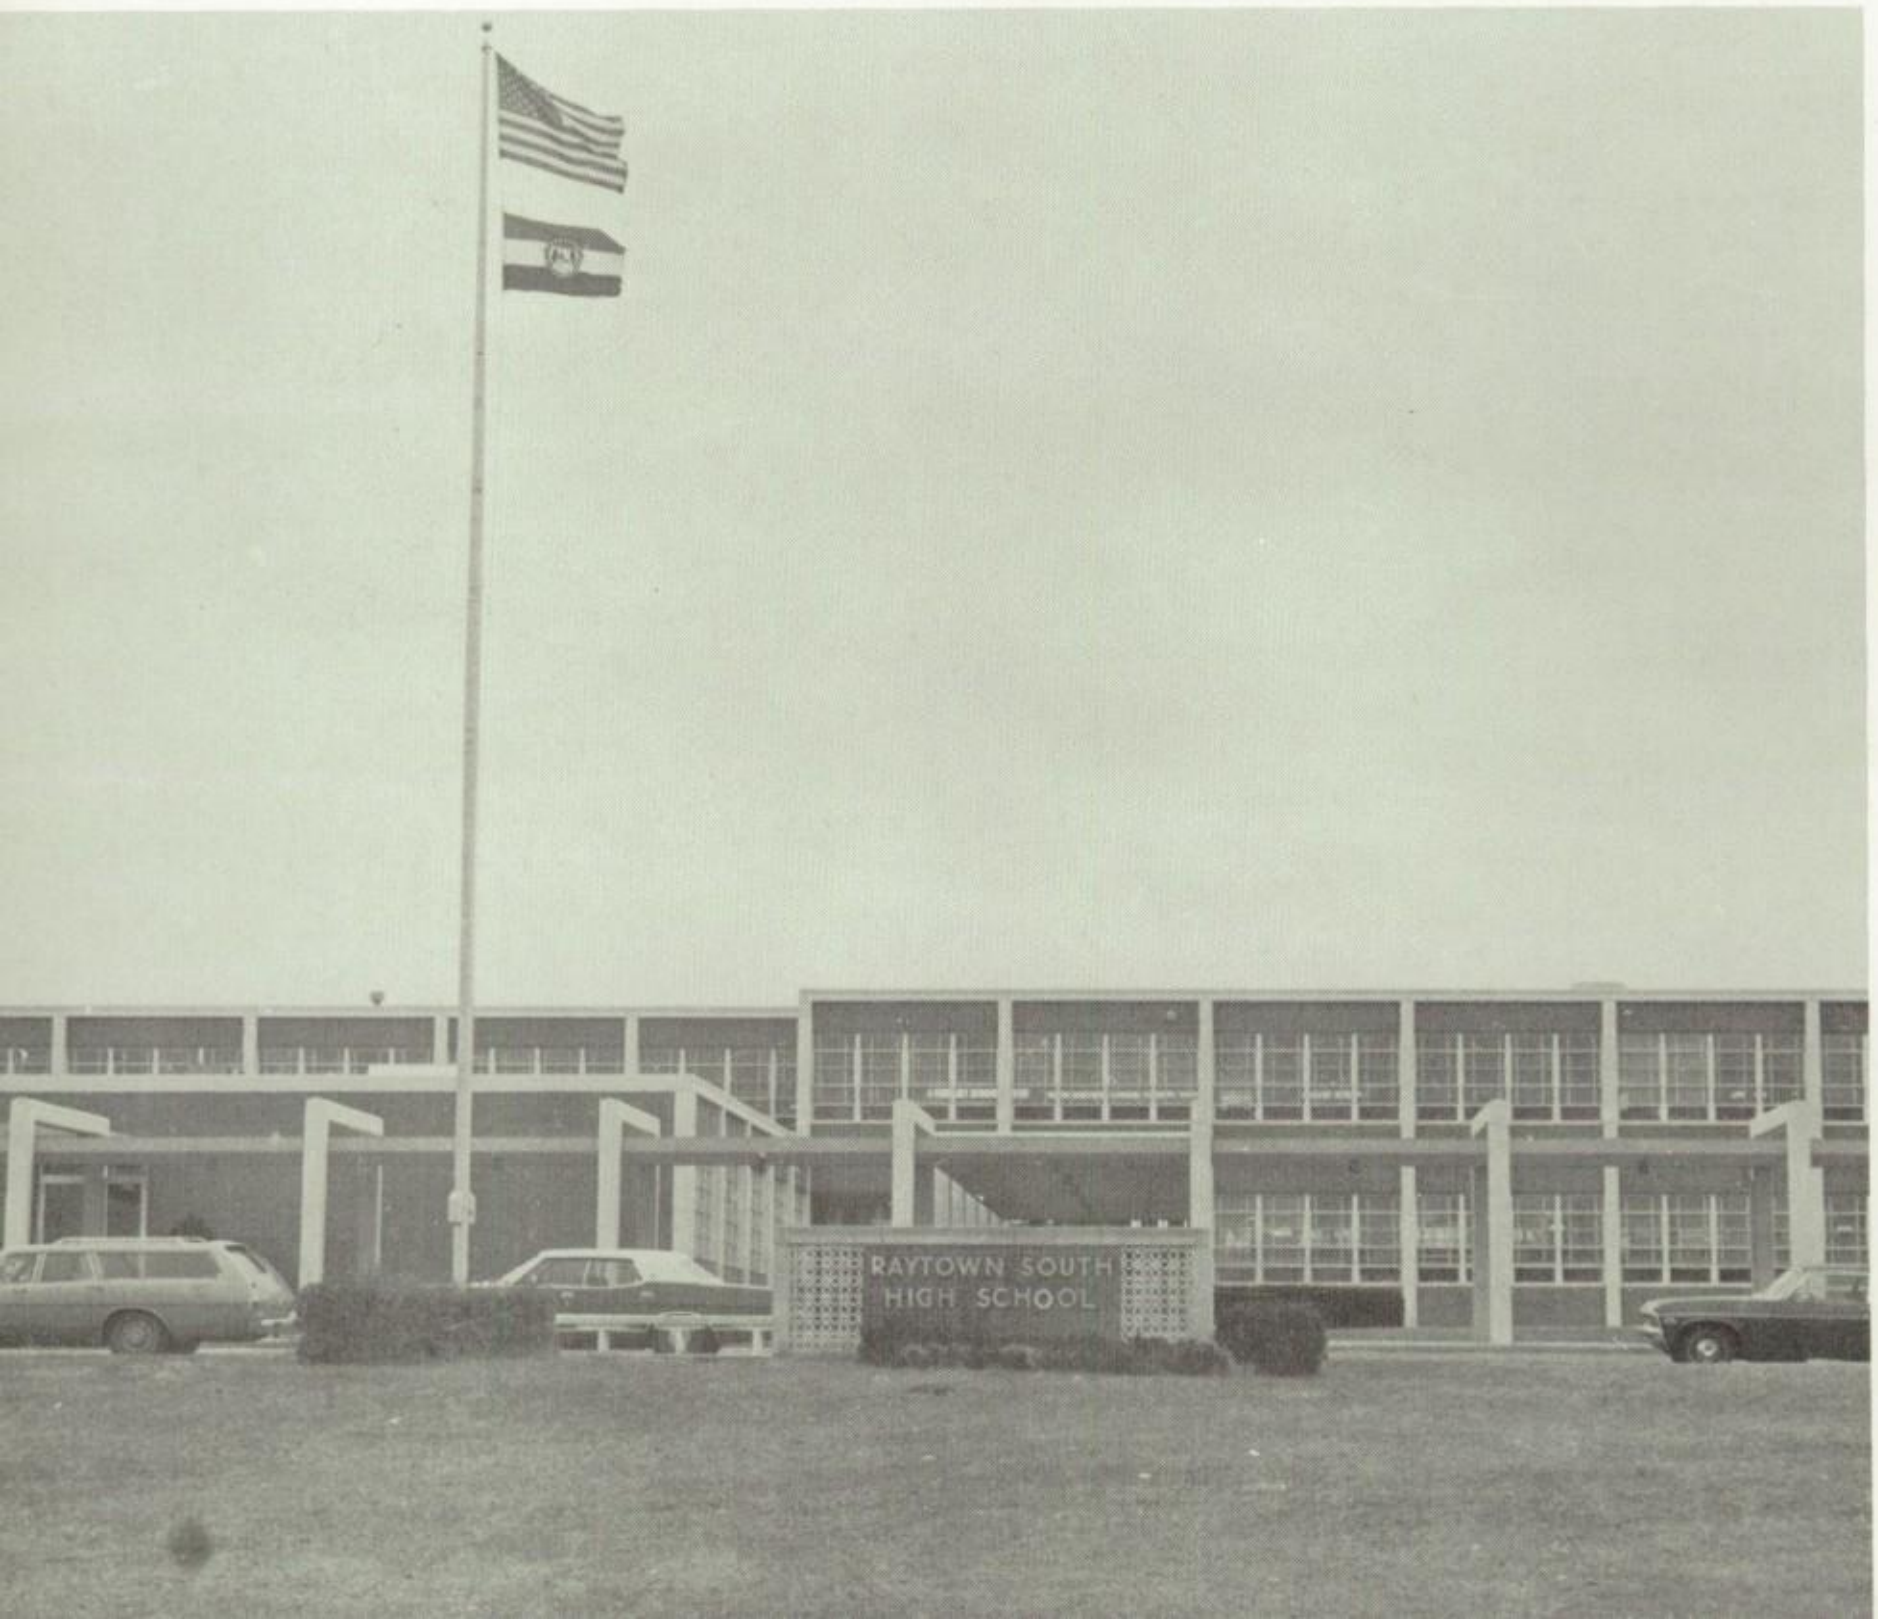
POLARIS 1974

South High is a dizzying whirl
of activities, a combination
of laughing and yelling
but yet sincere students.
Somehow,
among the confusion
Each indivudual managed to be
self-assertive



We blended
despite our differences
and drew from each other that
which was beyond ourselves,
Expanding in knowledge and
self-awareness,
for individuality
is illuminated
through

. . . . Contrast

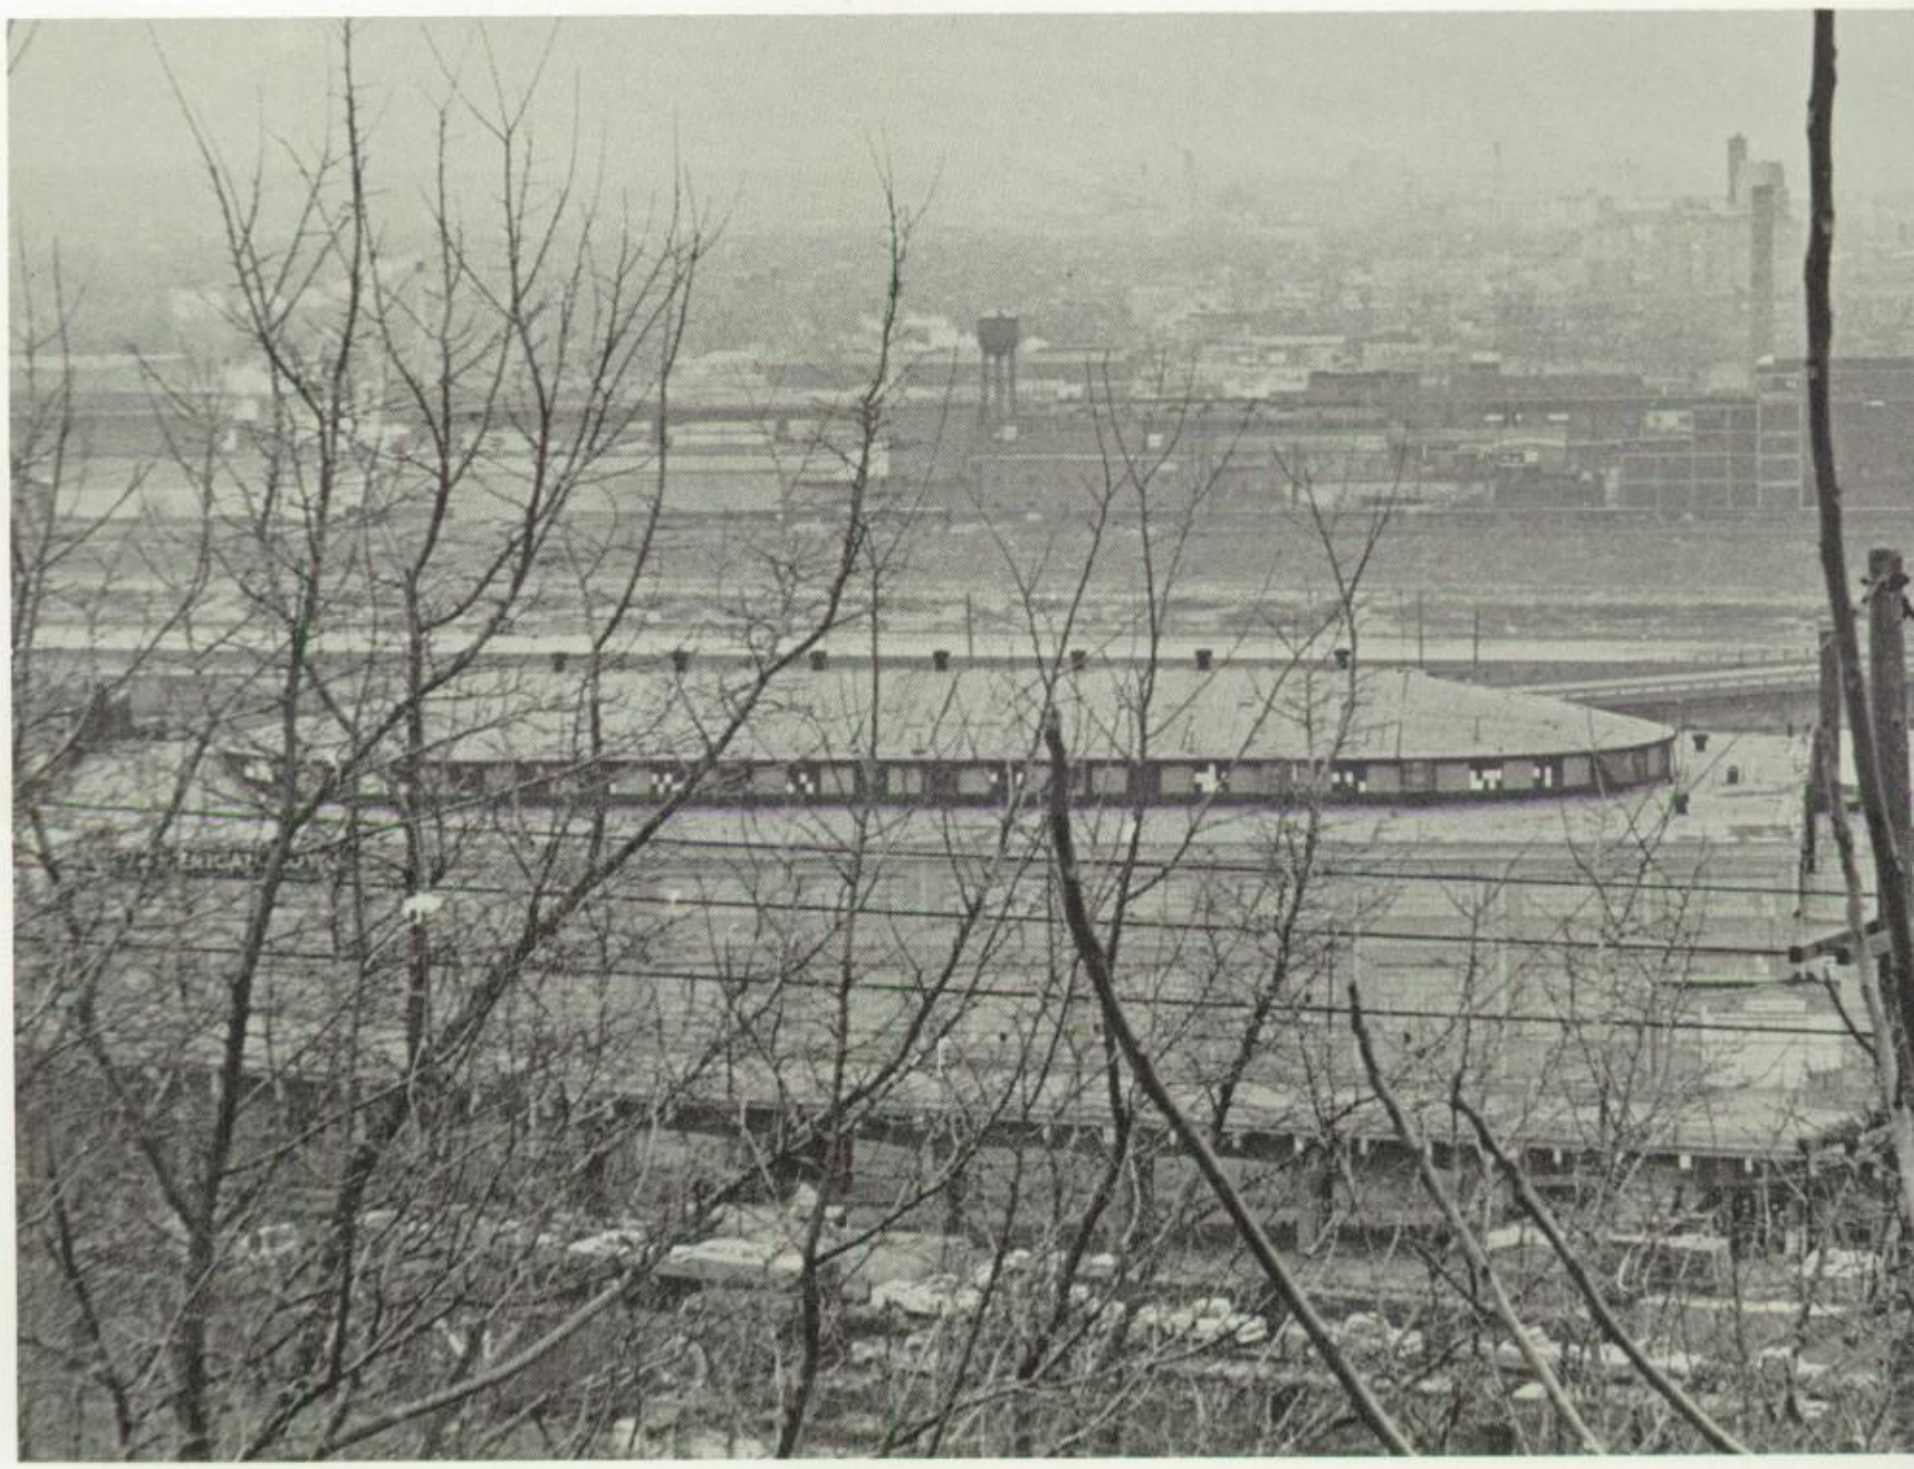
The world is a comedy

to those that feel

and a tragedy

to those that think.

Shakespeare



The rose
and the thorn
and sorrow
and gladness
are linked
together.

Saadi

When I was a child, I spoke, understood, thought as a child.

But when I became a man, I put away my childish things.

I Corinthians 13:11

What a distressing contrast there is between the radiant intelligence of a child, and the feeble mentality of the average adult.

Sigmund Freud

A blue sky looks bluer now than it ever will again.
Grass smells greener. A summer day seems longer.
Ice cream tastes better. And music has more sound . . . .

Years from now
when you think about
the most beautiful time
of your life, you will
think back to this time.

Dedicated

to the Class of '74

Well, it's over. You have finished your childhood; you're graduated from high school and must face the demanding adult world around you. It is now time to store Barbies and G.I. Joes in the toy box of carefree nonresponsibility. But as you seal this box, be sure to cherish your childhood by saving: naivity to understand simple beauty; strength to withstand the pressures of this world; and patience to believe in yourself. Retain your youthful expectations to carry yourself as far as the heavens, for you are the world the next generation must live with, either in unison or dissention. Above all retain the attitude of love, for it is a feeling or emotional concern that freely accepts another and seeks his goodness. This Brother, is what it's all about. You can't make it alone.

Raytown South hosted A.F.S. student Brith Pedersen this year. Brith is from Bangfund, Norway. Brith's interests varied from basketball and reading to needlework and music. An enjoyable discovery was that of pies and tacos, both of which were new to her. A member of A.F.S. club, N.H.S., and Student Council, Brith enjoyed the activeness of clubs. Brith's travels included St. Louis, New York, Worlds of Fun, and the American Royal. Carolyn, Marilyn and Sharon Cage were Brith's American sisters.

At right is Mr. Cage, Brith, Carolyn, Marilyn, Mrs. Cage, and Sharon.

To everyone at Raytown South:

It was August 27, 1973. I had left my country a month ago. This day my experiences at South, and the most exciting part of my life started. First of all, I felt scared on the school bus, where everybody was talking in a different language, one that seemed so hard to understand. Then the school with the huge halls, my locker that my brother, Lon, had to open for me because I didn't know which way I had to turn to. And last, the teachers and students.

Now I started to think about all these things that happened to me during the past 10 months, and I know now how I learned about people and their feelings, the United States, and how I grew a little bit. And now what I have to say is that all these things were possible because of each of you: the administration, the teachers, trying to understand and help me, the people in th cafeteria, my family, that was marvelous with me, th students that accepted me, not as a foreign guy bu someone that was a member of their community an their school.

You know, it's hard to express how I'm feeling now tha I have to leave soon. I really don't have words to sa thank you to everybody, especially for you who were m friends, that helped me very much, that made it possibl for me to share all of your clubs, that showed me you way of life, your feelings, you school system, that aske me about my country, that made me happy . . . Than you very much for letting me be myself.

I love my country, I love the United States, but mor than anything, I love everyone of you!

Thanks . .

Edmar de Azambuja Salles

Dear Friends at South:

This has been a wonderful year, a year I shall never forget. I came here with great expectations and you did not disappoint me. You were patient when I had difficulties with the language; and you showed me around the first confusing days. I want to thank you for that, and I can promise you one thing: I shall never forget you!

An AFS-year is a difficult and exciting year. It is filled with new experiences, new friends. This makes the life richer.

So, I want to thank you, my new friends, the faculty, and students at South. Thank you for a marvelous year.

Takk for meg!

Love,

Brith

New Experiences & Friends Made by Brith & Edmar

This year South was visited by Edmar de Azambuja, from Campo Grande, M.T., Brazil. Edmar found the language and the time change to be the most difficult things to adjust to. But the relationship between friends and the clothes were also different in some ways. Edmar was an active member of the AFS club, Photography club, and Student Council. During his stay, Edmar traveled to the Lake of the Ozarks, New York, Washington, Ohio, Indiana, and Illinois. Edmar's family, at left are: Lon, Edmar, Kaleen, Mrs. Tracy, Mr. Tracy, Kristeen, and Von.

The Raytown South Cardinal Sophomore football team ended a very successful year with a record of 7 wins, 1 loss, and 1 tie. This tied the record of the previous Sophomore team of 7 wins, which is the record for the number of wins in one season for a Varsity or Sophomore team. The Sophomore level is primarily to prepare the young Cardinal football players for the level of competition in High School Athletic play. A very significant fact about this team is that Ray-South Football teams have never won a football game north of the river. This year both the Varsity and Sophomore teams achieved this goal. Student Council Takes on New Activities

This year's Student Council aimed to develop and improve Raytown South in many new and interesting activities. Foreign Language Clubs Combine

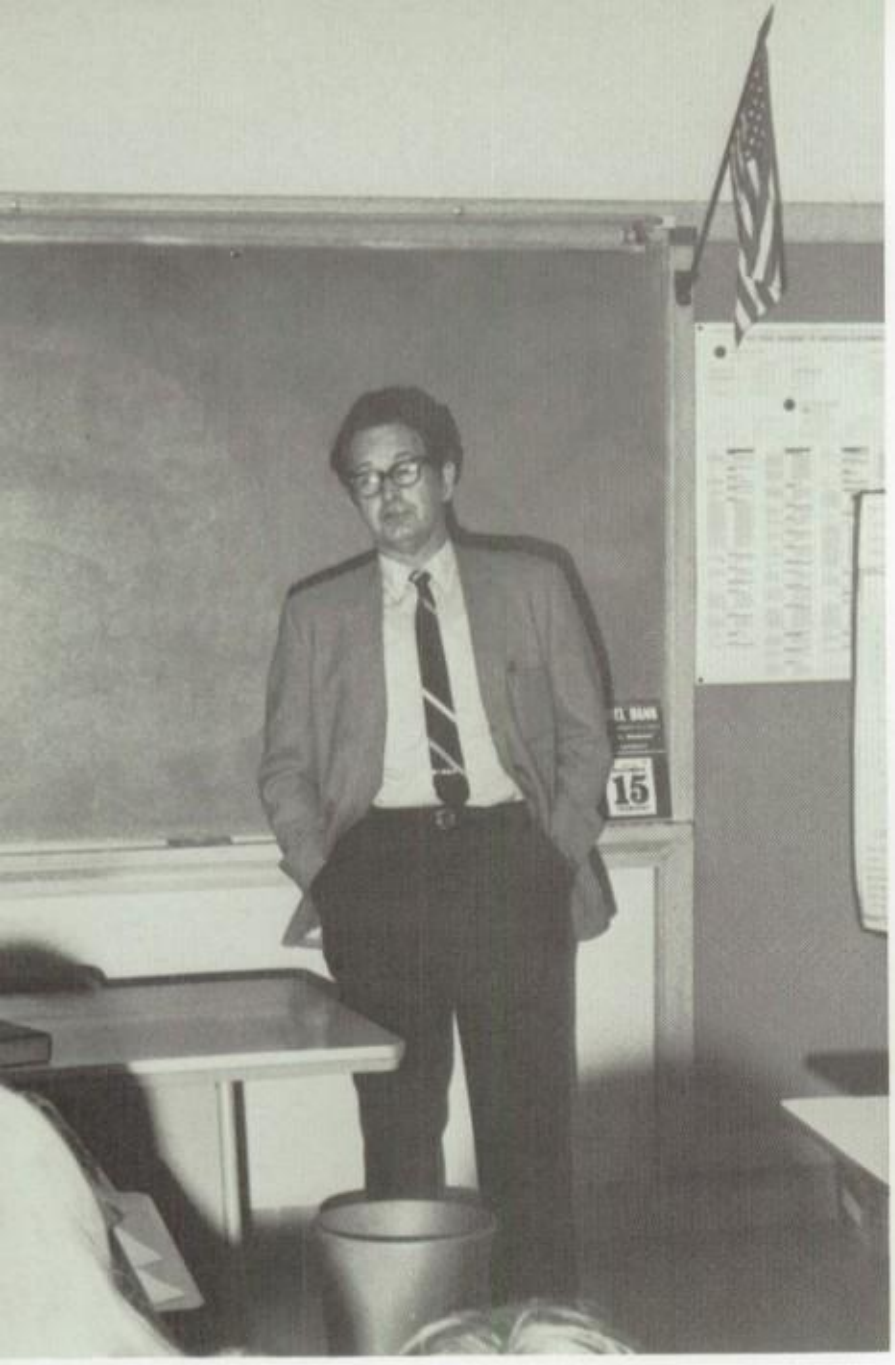
The Foreign Language Club replaces the various language clubs that operated separately until this year. The rationale for this change was the small membership for each club in the past. This year the Foreign Language Club participated in the Raytown Round-Up Days Parade along with visiting Senior Estates for a Christmas Party. They concluded their activities by touring the Nelson Art Gallery. This year's officers were: president, Bettina Begole; Vice-president, Trudy Nenno; and Secretary-Treasurer, Andrea Hester. The sponsors of the club are Mr. Boone, Mrs. Bradshaw, Miss Given, and Mrs. Latta.



The FTA Club this year had no officers but had rotating chairmen. This added to the complete club participation and a possible idea for other clubs. The club visited area grade schools and acted as student teachers. The sponsors were Mr. Bradley, Mrs. Fisher, Miss Moore and Mrs. Russell. The members included: L. Atkinson, A. Denny, J. Dick, K. This is the first year to combine the two together. With expensive instruments and uniforms, the band went to represent Raytown South High School at the Raytown Parade. When they arrived, after sitting through continuous downpour, only a few ended up participating in the marching. Senior Band helped to sponsor all home football games by playing at pre-game and marching at half time. They also helped the Cardettes out by playing background music at football games, and Pep Band at basketball. Dr. Lewis conducts Concert Band.

Concert Band Adds New Dimension in Music

As tradition in past years, all new members of Concert Band had to make senior paddles and write a song praising the seniors. All seniors design their own paddles and give them to new members of their choice. A day of class time was set aside for the presentation of the senior's completed paddles, and their songs were sung. First prizes: paddle, went to Angie Bell, made by Debbie Bixler; song was made up by Bill Schnabel. Musicians, at the end of April, take their talent to the District Music Contest at Warrensburg. Some take solos, some work in small ensembles and large performing groups, such as Band and Orchestra. Medals are given for best presentations. Recipients of these medals show their achievements by wearing their earned medals on their uniforms.

The Senior assembly displayed the excellent talent of the 1974 Senior class. The theme of the assembly was Nostalgia which was portrayed by a series of events from 1946 to 1974. Some of the major attractions included the "Slims Bar" scene in which Ted Montogue, Karen McGaven, Diane Vaughn and Jess Bushyhead boogied to the tune of a 1946 hit. Beth Carney, Jennifer Anderson and Emily Rowan harmonized to a song originally cut by the Andrew Sisters. Stereotypes of personalities familiar to us all were made into skits by Kurt Morrison, Jan Meyers, Brad Howard, Paul Rutherford and our own "Bud Lathrop" portrayed by Kenny Kennierm. An act from the 60's was relived when Ms. Mike Trecharky sang of her lover "The Leader of the Pack." David Watt commandered his Hellsangels: Matt Rizzo, Dale LaMont, Andy Estes and Corey Robb to this famous tune. Other Nostalgia included the Cardettes swinging to "Hey Big Spender" and an outstanding display of musical ability and talent by Randy Miller, Marc Richardson, David Thurman and Dave Coker. This years Senior Assembly was undoubtedly one of the very best.

After the dark there comes a dawning,
And heavy snows will melt away.
After raindrops comes the sunlight,
After night God sends the day.

After heartbreak comes the stillness,
After tears there comes a smile,
After sorrow there is healing,
And sweet peace comes afterwhile.
